

**CAREER OBJECTIVE:**

An engineer in Information Technology. Fanatical in being a part of an alleged organization. Vibrant, determined, Self-assured and good at interpersonal skills. Able to work on own initiative or as a part of a team.

**ACEDAMIC QUALIFICATIONS:**

LEVEL OF EDUCATION	INSTITUTION	BOARD/ UNIVERSITY	YEAR OF PASSING	Percentage/Grade
B. Tech (Information Technology)	Sir C R Reddy College Of Engineering	Andhra University	2018	7.35
Intermediate	NRI jr . college, Eluru	Board of Intermediate Education, A.P.	2014	81.5
S.S.C	Z.P high school, Eluru	Board of Secondary Education, A.P.	2012	6.0

**TECHNICAL SKILLS:**

Operating Systems : Windows.  
 Programming Languages : C, C++, Java (Core and Advanced), SpringMVC, PHP  
 Web Technologies : HTML, CSS, Bootstrap (Basics)  
 Database : Sql, MySQL

**PROJECT EXPERIENCE:**

**Title: Online Library System HTML, CSS, MySQL, PHP,**

**Description:** The main theme of this project is to maintain student library details. This application consists of the modules student personal details, references books list, and issued books list, list of the available books. This application allows the users to know overdue library book fines.

**Title: e-Student Academic Audit System HTML, CSS, MySQL, PHP**

**Description:** The main aim of this project is to automate the academic details like attendance, internal marks. If there is a system in such a way that the system will do the all average calculation of the both attendance and internal by itself, it was much more beneficial to the academic organization, And based on the obtained results college heads can also analysis the student academic progress. The developed application is user-friendly.

## **Project for a company (sukthran)**

**Title: Jayaho(online shopping) HTML, CSS, JS, Bootstrap, MySQL, PHP**

**Description:** The Online Shopping Cart is a web based application intended for online retailers. The purpose of this project is to provide an easy shopping facility online and easy selling facility to the merchants of all categories. The information of the products are store on an DB at the server side (store). The Server process the customers and the items are shipped to the address submitted by them. The details of the items are brought forward from the database for the customer view based on the selection through the menu and the database of all the products are updated at the end of each transaction. The objective of this software is to provide easy assistance to both the customer as well as the merchant with proper database and information.

### **AREAS OF INTEREST:**

- Database management systems
- Internet of Things
- Web app developing

### **EXTRA CURRICULAR ACTIVITIES:**

- Served as treasurer for student association “CREATE” in engineering first year during 2014-15.
- Team leader for Hackathon Team.
- Body Member of **Techfest2k16** in my college.

### **CO-CURRICULAR ACTIVITIES:**

- Participated in 2-day workshop on “Ethical Hacking & Cyber Security” conducted by Spyry Technologies, Bangalore, on 1<sup>st</sup> March 2017 at Sir CRR College of Engineering, Eluru.
- Participated in 2-day workshop on “Data Science with R” conducted by Brain O Vision, Hyderabad, from 30-10-2017 to 31-10-2017 at Sir CRR College of Engineering, Eluru.
- Participated in technical quiz competition conducted by department of Information Technology, at Sir CRR College of Engineering, Eluru.
- Participated in treasure hunt competition conducted by department of Information Technology, at Sir CRR College of Engineering, Eluru.

### **PERSONALITY TRAITS:**

- Active participation.
- Self-confidence.
- Hard working nature with positive attitude, commitment and confidence

**PERSONAL PROFILE:**

- Name : Jagadeesh Ajjada
- Father's Name : Ravi Teja
- Mother's Name : Manjula
- Nationality : Indian
- Date of Birth : 13<sup>th</sup> August 1997
- Languages Known : Telugu, English

**Declaration:**

I hereby declare that the above-mentioned information is correct up to my knowledge, and I will bear the responsibility for the correctness of the above-mentioned particulars.
